

COMMUNITY CENTER

HORIZON

Project Name

Chinese Community Center

Owner/Client

City of Houston

Horizon was awarded the new construction of a 2-story community center which includes 22,785-SF of tilt-wall construction. It features multi-purpose rooms, a community stage and a state of the art media room, 2-community activity rooms, a dining room with full-size kitchen and serveries, a lounge and day rooms; as well as office suites, meeting, and conference rooms, multiple classrooms and storage areas, and an outdoor patio with pergola and an edible garden. The new Center which is adjacent to an existing facility also features a childcare area with multiple age group rooms, play areas, family feeding rooms, and will serve at-risk youth and double as a disaster response shelter. The center has a senior living section which features expansive recreational areas, community clinics, and presentation areas.

Funded in part by the Community Development Block Federal Grants • Subject to appropriate Terms & Conditions Administered by the City of Houston Section 3 Housing Regulations
