

HORIZON

Project Name

## Municipal Court Building

Owner/Client

City of Pasadena, Texas

Horizon was awarded the new construction of a 1-story, 24,235-SF municipal court building which serves the City of Pasadena, TX. The building houses three courtrooms, mediation rooms, jury areas, along with judges' chambers with custom cabinetry, prosecution offices, and county clerk stations. Other features include a bailiff's office, prosecutor's office, associate judges' offices, attorney clerk's office, juvenile case manager's office, chief clerk's office, and court clerk office areas. The building contains two IDF as well as a vault with an exterior kiosk. The building houses moveable storage system areas for file storage. The grand lobby is nearly two stories high with custom light fixtures and inlaid tile floors, giving the building a grand first impression when entering.
