[HOUSTON COMMUNITY COLLEGE CULINARY ARTS SCHOOL GROUNDBREAKING]

[Horizon International Group chosen Construction Manager]

[HOUSTON, TEXAS, April 11, 2018—] Horizon Group International, LLC along with Houston Community College, announces the groundbreaking of the new \$10.2M Culinary Arts Center at the Houston Community College, Central Campus. The ceremony took place on April 10, 2018. Horizon has a decade long relationship with Houston Community College and is excited to construct a building that will serve thousands of students.

The new facility will include a state of the art cooking/baking lab, a dining room/bar, a dish room, a student lounge, a reception area and computer labs, classrooms, locker rooms faculty offices, conference rooms and storage receiving. The two-story, ground up building will complement the surrounding Central Campus structures. The facility is scheduled to be completed in February 2019.

Construction Manager: Horizon International Group, LLC

Architect: Stantec Architects

Square Footage: 32,000 SF
