

Horizon Group INTERNATIONAL

SEN. HENRY LLOYD
HARRIS COUNTY

Horizon International Group, LLC is an established general contractor with over 25 years of business experience. We specialize in commercial construction, providing services in all delivery methods:

- Project and construction management
- General Contracting
- Job Order Contracting
- Design Build
- Construction Manager at Risk

Our impeccable track record has led to a sizeable bonding capacity and a well-established place in the construction community. Horizon has vast experience managing and constructing small and large projects alike and have the capabilities to perform from \$500 to \$500 million.

Our recent project highlights include:

- Prairie View A&M University Welcome Center
- Houston Community College Culinary Arts Center
- Joint Processing Center, a City of Houston and Harris County Project
- Chinese Community Center
- Harmony School of Excellence
- Management of diversity outreach for the Northeast Water Purification Plant Expansion Project

Horizon prides itself on the diverse nature of not only our internal team, but also our external teams within the subcontracting community. We do not see diversity inclusion as a goal, instead it is in the Horizon DNA. As we are ourselves an MBE/VWBE/SBE certified firm, we are constantly championing and mentoring other certified businesses, or those seeking certification.
